Meeting was called to order by Linda at 7:00. Motion was made by Ed, second Bill, --- all those in favor 8-0-0.

Agenda Item 1 Presentation: Stuart Saginor, Executive Director Community Preservation Coalition

- Stuart S gave the committee and public attendees a power point presentation of the highlights of the Community Preservation Act and its most recent changes in July of 2012.

The most dramatic change is the ability to use CPC funds to improve capital projects on town owned land now. This is especially helpful to update structures such as playground equipment and fields' improvements. Other important information was provided regarding the uses of funds.

We had a significant turnout of key town personnel and others that would benefit from this information.

The meeting was televised to promote a stronger understanding of CPC funds, how they are derived at and what they can be used for.

A question and answer session followed the presentation that was also helpful. A copy of this presentation will be provided to town IT so it can be obtained on the town's web site.

Agenda Item 2 Old Town Hall Update

Guy D. has informed the committee that the old town hall is under construction and is going along as planned.

Agenda Item 3 Adjournment

The meeting was adjourned at 8:00pm with a motion made by Joelyn, seconded by Guy. All in favor 8-0-0

Next meeting is scheduled for March 16, 2013 to discuss other items that were not covered this evening
